Title: Teaching Circumference Instrument

**Letter for Reconsideration,**

I, Gerald Bauldock, am requesting that my application for a Teaching Circumference Instrument patent (application # 10/707,088) be reconsidered with the following amendments that were listed in the Office Action dated 10/20/04. The amendments are as follows:

- 1) The original Claims have been modified as requested in the office action.

**Amendment to Claims**

- 1) The original Claims have been modified as requested in the office action. The status of every claim has been indicated using one of the following status identifiers: Original, Currently amended, Canceled, Withdrawn, Previously presented, New, Not entered.

The amendments includes no new matter that was not disclosed in the original specifications.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Gerald Bauldock
